To whom it may concern,

Feather Friendly® Technologies Inc has appointed Tactus an Authorized Dealer / Applicator of all Feather Friendly® products in Poland. The two companies have been working together for approximately a year with Tactus being very influential in promoting Education, Conservation while offering a proven solution to bird / window collisions.

Feather Friendly® supports Aleksandra and Tactus in any way possible and we are extremely pleased with our partnership.

Sincerely,

Paul Groleau
Vice President
Feather Friendly® Technologies Inc
